Location:	Former Howden Library , 13 Market Place, Howden, East Riding Of Yorkshire, DN14 7BJ
Applicant:	Shire Hall Trust
Application type:	Listed Building Consent

The above application has been considered by the Council in pursuance of their powers under the above mentioned Act and has been **APPROVED**, in accordance with the terms and details as submitted, subject to the following conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

This condition is imposed in order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990, as amended by Section 51 of the Planning and Compulsory Purchase Act 2004 and in order to ensure that the Local Planning Authority retains the right to review unimplemented permissions.

2. Notwithstanding any details shown on the submitted plans and forms, no development shall take place above damp proof course until details of the materials to be used in the construction of the external surfaces of the disabled access ramp, handrails and entrance doors hereby permitted have been submitted to and approved in writing by the Local Planning Authority. A sample panel of the brick wall to the ramps shall be provided on site to assist in assessing the suitability of the proposed materials. Development shall be carried out in accordance with the approved details.

This condition is imposed in accordance with Policies ENV1 and ENV3 of the East Riding Local Plan and because it is considered that the use of inappropriate materials could be harmful to the appearance of the area and that the Council therefore needs to retain a measure of

control.

3. The development hereby permitted shall be carried out in accordance with the following approved plans:

3026-7 - Location plan (received: 02.02.2022)

3026-6a - Proposed ground floor plan, elevations, block plan, sections and sketch view (received: 23.03.2022)

3026-8 - Section plan (received: 23.03.2022)

NOTES TO ACCOMPANY THIS DECISION

Appeals to the Secretary of State

If you are aggrieved by this decision you can appeal to the Planning Inspectorate. Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on telephone number: 0303 444 5000.

Appeals must be made on the correct forms relating to the type of application you submitted. Information provided as part of the appeal process will be published online.

If you wish to appeal against the decision this must be made within 6 months of the date of this notice.

Please note - If this is a decision on a listed building application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, you must appeal within 28 days of the date of this notice.

If an enforcement notice is served relating to the same land and development as in your application, you must appeal within 28 days of the date of service of the enforcement notice or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems that the local planning authority could not have granted consent for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

Purchase Notice

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor can he render the land capable of a reasonably beneficial use by carrying out any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with Part VI of the Town and Country Planning Act 1990.

Royal Commission on Historic Monuments for England

Under section 8(2) of the Planning (Listed Buildings and Conservation Areas) Act 1990 owners of a Listed Building must give the Royal Commission on Historic Monuments for England 30 days notice of works of demolition for which consent has been given and you must allow them access to the building to make a record.
